

Friday Night Lights Volunteer Responsibilities

Greenville Oaks Church of Christ

Report any incidents/concerns IMMEDIATELY TO THE VOLUNTEER IN CHARGE. Please do not wait until the end of the evening to tell us that you have been uncomfortable in your assigned room. We want our volunteers to have as much fun as the children do.

All children have a Care Plan. The (*) on the schedule means the child has special needs. Please look over the care plans of the children in your room, including siblings, to get a better understanding of the child.

Greenville Oaks Church of Christ has a "2-adult" rule, which requires 2 adults to be in a room when there is a child present. Adults are persons 18 years of age or older. Please follow this rule, for your safety, and the safety of all participating children.

Upon arrival, parents must sign their child(ren) into the room.

Each child's bag must have a label. Labels are available from the Volunteer in Charge.

Parents must provide any food that the children consume during the evening. Do not allow children into the kitchen or offer them food other than what is provided by parents.

All children in the room must be adequately supervised. Decide amongst the volunteers in the room who will be responsible for which child(ren). If you take a break, make sure someone else is watching your assigned child(ren).

At least one (1) adult female must also accompany any child leaving the room, whether to go to the restroom or otherwise. Do not allow any children to wander into other areas of the church building.

Volunteers take turns for dinner breaks or leaving the room. Do not bring food into the room. Divide time so that all volunteers get a chance to eat or to take a break.

Put away all toys at the end of the evening, and spray down with provided cleaner.

Return chairs, tables, toys, games, and videos to where they came from.

THANK YOU FOR YOUR HELP! WE COULD NOT DO THIS WITHOUT YOU.
